Reviews of Mysuru Top Stuff restaurant. The restaurant offers a mix of reviews, with some praising the quality of specific dishes like butter roti and tikka masala, while others criticize the lack of hygiene standards and declining food quality. The seating on the second floor is highlighted as more inviting, while some customers recommend trying the chicken and pork dishes. Overall, the restaurant is described as budget-friendly with quick service, but lacking in charm and variety in desserts. Despite mixed opinions, it is suggested to give the restaurant a try at least once.
