Very tasty thin crust [pizza](#)'s. I will normally share a small Hawaiian [pizza](#) with my daughter , as a takeaway treat and it is delicious - very fresh. I have tried other flavours and they are equally good. I think the price is very reasonable and the [pizza](#) is not overly oily - a really good takeaway option and they deliver. What [User](#) doesn't like about Bassendean Hotel:

A bit pricey as it targets the gourmet range of [pizza](#)... there are plenty of [pizza](#) places in Bassendean and my personal choice would be others but I know people who love the place. [Bassendean](#) Hotel from Bassendean is appreciated for its *delicious burgers*, to which appetizing fries, salads and other sides are supplied, You can take a break at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks. Also, the **meals from Australia** of this inn are noteworthy, additionally, the latest games or races can be viewed on the large screen in this sports bar, which customers also love.
