Small but adequate menu for lunch including \$12 very good value specials. Very happy with the @12 steak sandwich on properly toasted turkish with fresh salad and onion relish with very tasty, tender and substantial piece of perfectly cooked rump steak. Plenty of room and not at all busy on a Wednesday. Worth a try. What

[User](#) doesn't like about Hunter River Hotel Restaurant:

There's plenty of good pub food around but not here. The mains at around \$30 should have been better. Not dry overcooked chicken saltimbocca, ordinary sauce , lots of veges. Salmon good ,accompanying risotto poor. Tempura prawn entrees were the highlight. In beautiful weather you can even eat and drink in the outdoor area, And into the accessible rooms also come clientele with wheelchairs or physiological disabilities. With the large range of **coffee and tea specialties**, a visit to Hunter River Hotel Restaurant becomes even more attractive, Additionally, they serve you typical Australian meals with products like bush tomatoes and finger limes. In addition, they provide you **delicious seafood dishes**, You shouldn't miss the opportunity to try the delicate [pizza](#), baked straight out of the oven in an traditional manner.
