What [User](#) likes about Hotaru Japanese Restaurant:

Arigatou gozaimasu Hotaru. Once again very enjoyable night goyza was very tasty as well as the karaage chicken. And I must say sukiyaki oishi katta desu. Thank you once again for a very enjoyable meal. What [User](#)

doesn't like about Hotaru Japanese Restaurant:

The reason I gave such a low rate was because of the poor value for money of the Groupon deal. \$35 for 2 people 10 courses degustation was in fact 2 lunch bentos. I felt cheated by the word degustation. The food was just average too. If the purpose of the Groupon was to gain profit then it's successful. But it's to promote the business via introducing good food at a discounted price then it's a total failure. The Hotaru Japanese Restaurant from Adelaide offers various scrumptious seafood meals, On the daily specials there are also several **Asian meals**. Undoubtedly, the highlight of this establishment is the tasty [Sushi](#) like Maki and Sashimi, and *healthy Japanese meals* are made with a lot of fresh vegetables, fish, and meat prepared.
