Food 5/5, Authenticity 5/5. Price 3.5/5 Very good food and place. However all price are exclusive of vat and service charge which will make your orders a little bit pricey for a japanese restaurant. What [Jasper Turner](#) doesn't like about Miyazaki Japanese Restaurant:

They have really great food with great quality that makes me keep coming back here. But something that makes me pissed everytime I come here with my fam is their Customer Service. They never value their customers.

Oftentimes server never greets us or would just drag tables in front of us. Please learn from your sister company- Un Cuenca which has really good customer service. Hope this gets solved. In Miyazaki Japanese Restaurant from Muntinlupa, a lot of emphasis is placed on the preparation of healthy, tasty Japanese dishes with fresh vegetables, fish, and meat, particularly appetizing are also the Sashimi and specialties like Sashimi of this establishment. Additionally, they offer you scrumptious seafood dishes.
