Chose this from the leaflet information at the hotel we were staying in. Easy parking on the street and for a Monday evening quite busy. We were seated quickly and the service was very good. The lighting could have been better, but the food was really good. Good choices and reasonable prices. What [User](#) doesn't like about D'Amicos Wangaratta:

D'Amicos has always been THE place to go for great food in Wangaratta but sadly that is a thing of the past! The quality of the food has dropped dramatically, the servings are much smaller hidden by the copious amount of salad you now get, more gravy. The D'Amicos [Wangaratta](#) originating from Wangaratta offers various *flavorful [seafood dishes](#)*, Also, you shouldn't miss the crispy crunchy [pizza](#), traditional freshly baked in a wood oven. Also not to be overlooked is the large assortment of coffee and tea specialties in this inn, the establishment serves also [foods from the European surroundings](#).
