What [Elbert Hudson](#) likes about Uncle Chuan Chuan: A healthier version of Yang Gor Fu Malatang .. Less decisions on the meat, but many vegetables and soup are pretty clear, light. The environment is definitely better than Mandarin Center Food Court, where Yang Gor Fu is. I love to visit both shops (beautiful cheap Eats), but I would say, depends on what mood I have the day :). What [Francisco Turcotte](#) doesn't like about Uncle Chuan Chuan: Ingredients are sold at A normal sized bowl of food would cost under There were rather lack of meat, mushroom, meat balls, and noodle choices as compared to Yang Guo Fu. Plenty of vege choices. As for the soup, I personally prefer the thick soup of YGF than the rather watery version of Uncle Chuan. Lack of the garlicky taste which gives a strong flavour the soup. Coriander topping is free of charge. Uncle Chuan Chuan The **groundbreaking Asian fusion cuisine** will delight you, the exquisite mix of familiar flavors and exciting new creations amazes!, Usually, the meals are prepared for you quickly and fresh. The meals are prepared according to original Asian style, Likewise, the table guests of the establishment prefer the large palette of different *coffees and tea specialties* that the dining establishment provides.
