Have had exceptional dining experience here in the past. Not this time round at all. Very disappointed not only with the limited menu choice but the overall quality of the food presented was well below 4and half star restaurant. When the weather is nice you can also eat outside, And into the accessible rooms also come customers with wheelchairs or physical limitations. If you want to *have a drink after work* and sit with friends or alone, Archie's on the Park at Moore Park Inn from [Armidale](#) is a good bar, Additionally, they provide you authentic Australian meals with ingredients like bush tomatoes and finger limes. There's also crisply crunchy [pizza](#), baked fresh using original methods, here they serve a **diverse brunch** in the morning.
