Many thanks to Dean and his team for making our friends birthday lunch so memorable. Food was delicious and the portion size particularly generous, so good value. Our party sampled [seafood](#) pasta, filo lamb, filo chicken, [seafood](#) chowder and prawn skewers and everything was perfect. We brought along a birthday cake which the guys freely improved with strawberries and cream - yum. Nice drop of sav Blanc to wash it all down.... [read more](#).

What [User](#) doesn't like about Cafe Balaena:

This restaurant is located in a beautiful position on the Marina. The ambience is very relaxing and staff are extremely pleasant and helpful. Unfortunately the food was average have dined here before but found this time the meals were average pub standard and for the price I was expecting a bit more. Doubt I will return. A visit to Cafe Balaena is particularly valuable due to the large diversity of [coffee and tea specialties](#), At the bar, you can relax with a **cool beer** or other alcoholic and non-alcoholic drinks. The *meals from the Australian continent* are also significant at this inn, Especially with the bite-sized **Tapas**, you can't do absolutely nothing wrong, because there's something for all preferences.
