not authentic Japanese cuisine. the net seemed not to be thought out as it warabi, teriyaki and sweet chili sauce all on the same plate. the sweet is stacked on the top of the claw with a kb mais on the side. the salmon was overcooked. on the side the staff were friendly. A visit to Wa Japanese Restaurant Cafe becomes even more worthwhile due to the comprehensive variety of coffee and tea specialties, and it is made with a lot of fresh vegetables, fish, and meat healthy Japanese meals cooked. The **Asian fusion cuisine** is also an important part of Wa Japanese Restaurant Cafe. For those who find the everyday and universally known dishes too ordinary, they can here approach with a willingness to experiment and consume one or another exciting combination of ingredients, On the daily specials there are also several **Asian meals**.
