I love this place! Especially their soy chicken and bbq duck. Also enjoy their other rice dishes. The food is served quite quickly. The staff are usually friendly, although service can be inconsistent, but still love the food!. What [Tito Johns](#) doesn't like about Wok n BBQ:

Previously it was a good restaurant, but the quality is now worse. bought takeaway huh and found that it already went off and the skin was sloppy. as terrible as they can sell such foods. not to eat. for a whole huh went right into the bin. Moreover, they provide you *fine* [seafood](#) meals, the **grill goods** are freshly prepared here on an open flame.
