Called and were able to book a table, arrived greeted by wait staff. Shown to table and when ready ordered our meals. My wife had a 130gm Eye Fillet and I had a 400gm Rump Steak. Both meals arrived at the same time and were cooked to perfection. Staff were very friendly and the ambiance was delightful for a small Irish Pub in Keppera, Brisbane. Even better was the fact that we were given a SENIORS DISCOUNT. THANK YOU... [read more](#). What [User](#) doesn't like about Finnigans Chin:

The recent season changes, Finnegan's Chin have made sad, much less attractive, this is especially obvious when in ordinary and traditionally revitalized times that this local pub had simply not there now, staff lacks drive and personality. The restaurant also offers the possibility to sit outside and eat in nice weather, And into the accessible spaces also come clientele with wheelchairs or physical disabilities. At Finnigans Chin in Samford Valley, **juicy barbecue is freshly prepared** on an open flame and garnished with fine sides, Also, the drinks menu at this place is exceptional and offers a significant and varied variety of both local and international beers, which are definitely worth a try. If you'd like something dessert to finish off, Finnigans Chin does not disappoint with its good *selection of desserts*, You can take a break at the bar with a **freshly tapped beer** or other alcoholic and non-alcoholic drinks.
