The restaurant layout is traditional and pleasant. Service was prompt and friendly. I had the barra special which was good though not as good as Burketown.. Cooked well; but not as fresh. I would go there again if I was in the area. What [User](#) doesn't like about Italy 1 [Camberwell](#):

Got given some gift vouchers for italy so afterorganisinga baby sitting we were really excited going out. We were not overly excited about the food and service was only average so in the end we were a littledisappointedand got home early. We were glad we had gift vouchers and don't think we will go again.
