What [User](#) likes about Little Red Grape:

Arrived in Seven Hill around lunchtime and had lunch at the Little Red Grape. Friendly staff assisted us and sat inside as it was rather chilly outside. Food was great and reasonable. What [User](#) doesn't like about Little Red

Grape:

Have been here numerous times and they still cannot make a hot flat white coffee. Asked for hot, got lukewarm with cm of froth on top of little cup. If i wanted froth, I would ask for Cappucino. During a meal, a good drink is essential. In this gastropub you will not only get delicious meals from the menu, but also a comprehensive and particularly good selection of good beers and other alcoholic beverages that pair well with the food, the hearty German food with the right side dishes like fries and salads, are particularly popular with the table guests. You have the option, after the meal (or while eating), to also relax at the bar with an *alcoholic or non-alcoholic drink*,

The table guests of the establishment also appreciate the comprehensive palette of various coffees and tea specialties which the dining establishment has to offer.
