Have been here a few times and it never lets us down. I think this is the best restaurant in [Bathurst](#). Food is always delicious and the staff friendly and attentive. If you're looking for offering *tasty* [seafood dishes](#), this place has got you covered, the menu also offers **delicious** [vegetarian](#) dishes options. The [Asian fusion cuisine](#) is likewise an important part of Restaurant 9inety 2wo. For those who find the everyday and universally known meals too ordinary, they should approach with a willingness to experiment and try out one or another unexpected combination of ingredients, On the menu there are also several **Asian meals**.
