Both my partner and I ordered steaks. Both were cooked to perfection. Normally my steak is too rare or overcooked, but neither of us had anything to complain about. Mine came with a baked potato and salad. This was yum too! The atmosphere here was amazing (on a Sunday) with a live band playing. What [User](#) doesn't like about The Deck Steakhouse:

Last time we went it was spectacular i couldnt wait to go back! What a disappointment. My fish was over cooked and ordinary and my partners steak was very overcooked. The produce is still excellent just not cooked well. The place also offers the possibility to sit outside and eat and drink in nice weather, And into the accessible spaces also come visitors with wheelchairs or physical disabilities. The Deck Steakhouse from Mackay is a good place for a bar to a cocktail after work and be able to sit with friends or alone, Additionally, they offer you typical Australian menus with ingredients like bush tomatoes and finger limes. It goes without saying that a suitable drink completes a meal; therefore this **gastropub** offers a sophisticated selection of delicious and local alcoholic options, be it beer or wine.
