What [User](#) doesn't like about Tuk Tuk:

Very overpriced. We waited to dine in but then they came out with take away. And when I explained we wanted to eat in it was gonna be a different price again. Food wasn't that great would've been better going to stockland and eating at the food court. The restaurant also offers the possibility to sit outside and eat in nice weather. From Townsville comes Tuk Tuk and brings tasty dishes to the table, seasoned with the Thai culinary popular spices and (fish-)sauces, in addition to fresh vegetables, [seafood](#) and meat, and you can look forward to the delicious classic [seafood](#) cuisine. *menus are prepared typically in the Asian style*, The guests of the restaurant also consider the large selection of various **coffee and tea specialities** that the establishment offers.
