We decided on this place after wanting to find a new Asian takeaway in our area. It was a lovely meal, we had take away and couldn't finish all of our food. The man at the counter also gave us a complimentary bag of prawn crackers. Hokkien noodles and chicken satay were our favourites. Not a fan of the batter on the salt and pepper squid but overall great food and pretty good price. What [User](#) doesn't like about *Enjoy Inn*:
