[User](#) likes about Milky Joe's:

Was strolling by and wanted some coffee for morning fix. Busiest cafe of 5 around, so must be right following the locals. 3 barista flying thru 2 coffee machines. First taste, good temperature...can be a hint warmer. Pleasant and smooth coffee texture. Will rate them quite high and no wonder most of the people order from this shop for

coffee. What [User](#) doesn't like about Milky Joe's:

Day 1 my latte was perfect. Nice consistency, day 2 however was bad essentially a flat white with a large bubbled foam on the top. I will try again but if it sucks next time I will be going somewhere else. The diner and its rooms are wheelchair accessible and thus usable with a wheelchair or physiological limitations. For quick hunger in between, Milky Joe's from [Melbourne](#) offers **scrumptious sandwiches, small salads, and other treats**, as well as hot and cold drinks, Also, the visitors of the establishment love the extensive selection of various *coffee and tea specialities* that the establishment has to offer. In case you want to have breakfast, a **versatile brunch** is offered to you.
