What [User](#)

doesn't like about Melaleuca Port Douglas:

Started off with the oysters which were good and then the mussels which honestly was 100% not worth it, an extremely small portion(7 mussels) and had hardly any flavour. The barramundi was okay and the bugs would have been delicious if it wasn't drenched in coconut curry. They should come to Portofinos in palm Cove and have a look at their mussels!! Delish. Won't be coming back. [read more](#).
