I ate with the family, we had dinner in her new dachrestaurant. the environment was really good. cooler place to relax. that was average. her menu is different in this restaurant. not all serve. but they serve drinks including cocktails [read more](#). What [User](#) doesn't like about Kga Elite Continental:

a beautiful place to hang around with their friends or their family. the environment is beautiful and the service is also good. good chill out, but the food quality and quantity is not to be expected. if they don't worry about eating and they are looking for a place to drink something and after some time, it is the good place to cool.
