[User](#) doesn't like about BamVino:

Venue fine and parking adequate. Menu Ok desert selection disappointing. They have two sittings per night which is something I find off putting when wanting to have a family dinner. Service was good but felt pressured to get things ordered our wait staff were quite persistent. Overall ok wouldn't rush back. [read more](#). The premises in

the restaurant are wheelchair accessible and can also be used with a wheelchair or physical disabilities, Depending on the weather conditions, you can also sit outside and eat and drink. If eating and drinking is too unexciting for you, go to this sports bar for a variety of small snacks and meals and catch live football, tennis or Formula 1 games, It's possible to chill out at the bar with a **freshly tapped beer** or other alcoholic and non-alcoholic drinks. Of course, there's also delicious [pizza](#), baked straight from the oven according to original recipes, *fine* [vegetarian recipes](#) are also in the menu available.
