Really enjoyed both our meals here. Had the Veggie pasta which was full of fresh veg, and others had the chicken parmigiana which was huge, and the kids had fish and chips. The Key Lime pie was the best I have ever tasted! Not the cheapest but definitely worth it. We would definitely eat here again even if we weren't staying

here. What [User](#) doesn't like about Atrium Brasserie Restaurant at Abbey Beach Resort:

Stayed here for a great wedding. Were put off by the buffet breakfast price but we were captive guests. Whilst the bacon was perfect, the rest of the buffet left a lot to be desired. Nothing terrible but just a standard base buffet breakfast and therefore compared to other hotel breakfasts it was heavily overpriced. When the weather conditions is pleasant you can also be served outside, And into the accessible rooms also come guests with wheelchairs or physical limitations. At Atrium Brasserie Restaurant at Abbey Beach Resort in Broadwater, a **delicious brunch** is served for breakfast, where you can eat as much as you want feast, Furthermore, the customers of the restaurant enjoy the extensive selection of the various coffee and tea specialities that the establishment has available. At the bar, you can still relax after the meal (or during it) with an alcoholic or non-alcoholic drink, Additionally, they serve you *typical Australian dishes* with ingredients like bush tomatoes and finger limes.
