I have had over 15 years of attending and organising large and small events. My client and I along with her team were absolutely impressed with the service, amazing food and the room with a view at our small training event yesterday. A huge "thank you " to Tara and her team at The Diggers for making our event run smoothly. We will be back. What [User](#) doesn't like about Bites Dining at diggers @ the entrance:

local club member quiet often staying in ibis, had been close to the dining area, have asked the staff not to delete the table as I left the table for 5 minutes and wanted to take my daughter dinner up and they threw it out and I was too badly said to throw all up to 60. not particularly impressed after the staff asked to leave it on the table more than 500 overnight and eat. Want to spice up your food and beverage routine? Stop by this sports bar for a variety of small snacks and meals, and enjoy watching live football, tennis or Formula 1 games, because just eating and drinking is too dull!, The fine *Sandwiches*, small salads and other snacks are good to plan as an in-between meal. Also, the dishes from Australia of this establishment are noteworthy, At the bar, you can recover with a freshly tapped beer or other alcoholic and non-alcoholic drinks.
