A comprehensive [menu](#) of Sir Charles Hotham Hotel from Geelong covering all 28 dishes and drinks can be found here on the card. This charming old school family pub offers a magnificent menu with a wide variety of options, including gluten-free choices. The warm and inviting atmosphere makes it a great spot for families, with attentive and friendly staff who are eager to please. While some dishes may have been a little disappointing in terms of preparation, the traditional pub food and gluten-free options are beautifully presented and delicious. The salt and pepper calamari is a standout dish, consistently good and served in generous portions. The welcoming reception and excellent service make this hidden gem a must-visit for those seeking quality pub food at great prices. From the tasty fish and chips to the delicious parmas, the food here is top-notch. Although the venue could use a little update, the friendly service and delicious meals make it a delightful dining experience. Whether you're looking for a simple drink at the bar or a filling meal in the dining room, this family-friendly establishment is sure to please.
