What [Mark S](#) likes about Kura:

This a favourite of mine for a quick or slow lunch on the weekend. The impeccably clean little space turns out gorgeous fried dishes and some great sushi and sashimi. there are a small number of pavement seats out front which are so pleasant on a sunny day plus you get to see the world go by as you marvell at thier great food. I really feel bad giving such a low score tonight. The service and the people of Kura were so so nice and also very attentive. Unfortunately the food was subpar. I always find it worrying when you keep hearing a microwave ding in the background. Wasn't great flavour and the menu seemed far too extensive for such a small place. The sushi seemed popular so maybe that is the way to go here!! [read more](#). In nice weather you can even have something in the outdoor area. Kura The groundbreaking Asian fusion cuisine will thrill you, the perfect balance of traditional dishes and exciting new creations will amaze!, among the delicacies of this restaurant are especially the Sushi and Sashimi. The **dishes are prepared typically Asian**, and it's made with lots of freshly harvested vegetables, fish and meat, healthy Japanese meals cooked.
