Had to wait for almost an hour and half even after the dinner time (after 10 pm~ . The lamb was okay. The portions were small but not cheap. Wish they also provided bean sprouts along with the onions. Personally don't think it's worth the wait. There are other gingham places in the area that shouldn't be much different but require much less wait time. [read more](#). At Daruma Main Shop in Sapporo, tasty, juicy, delicious barbecue is freshly prepared on an open flame and served with fine sides.
