After having dud food at the pub we decided to try Neaps. We sat outside on a perfect [DERBY](#) night. No mozzies. The food was excellent and the service very good. BYO. They even supplied stubby holders for the guys stubbies. Will definitely visit again. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological disabilities, Depending on the weather, you can also sit outside and eat. At Neaps Bistro from DERBY you can **enjoy delicious vegetarian menus**, in which no animal meat or fish was used, Besides, the atmosphere of course matters, which is why the visitors don't just appreciate the tasty menus, but also **the bistro** itself love. After the meal (or during it), you have the opportunity to also relax at the bar with a alcoholic or non-alcoholic drink, Additionally, they offer you *authentic Australian menus* with products like bush tomatoes and finger limes.
