Stopped off here on drive from Gero to Perth. I ordered the snapper burger expecting a mediocre fish patty engulfed by bread. Instead, I got a huge beautiful piece of well cooked snapper in perfect crispy batter served in a roll and with chips. Best fish burger I've ever had. And that was only \$18! Other meals looked just as good.

Must visit if you're on the Brand Hwy. [read more](#). What [User](#) doesn't like about Cu at Park: 4 friends and I stopped in on the way to Exmouth. 2 Thai Beef Salads & 2 Calamari salads. All meals came out quick, great sizes, the inclusion of celery didn't fit for the flavours of the rest of the dish, and the Thai salad needed some more chilli/ginger/lemongrass to make it more Thai flavoured but overall a decent lunch. Beautiful location and has alcohol licence, very busy so would recommend booking ahead, staff weren't overly friendly however quite abrupt. The rooms on site are wheelchair accessible and can also be used with a wheelchair or physical limitations, Depending on the weather, you can also sit outside and eat. Various fine seafood menus are offered by the Cu at Park from GINGIN, Forbreakfast a delicious brunch is offered here. Look forward to the enjoyment of **tasty vegetarian dishes**, look forward to the typical tasty **French cuisine**.
