I order only a few things off the very big menu as they are my favourites. Very quick service, the satay skewers and beef sambal are fabulous! Lovely smiling young staff! [read more](#). What [User](#) doesn't like about Kowin Restaurant:

We have eaten here at least 6 times over 3 years. Average food for average prices. There are not many options in Taree but I think I would rather heat up a microwave meal than eat here again. The honey chicken was the best main - the fried rice was ok, but spring rolls and satay sticks not great. Not good at all really. But it is family friendly. Ok, so maybe would grab a honey chicken and again - but nothing else. [read more](#). The restaurant also offers the possibility to sit outside and have something in pleasant weather. In the kitchen of Kowin Restaurant in Taree, traditional meals are prepared with typical **Asian spices fine**. Also, admirers of Korean cuisine will have their culinary desires fulfilled at the restaurant with dishes like Bap, Kimchi or Jjigae. The Asian fusion cuisine is likewise an important part of Kowin Restaurant. Anyone who finds the usual and generally known menus too boring should approach with a willingness to experiment and try some unexpected combination of ingredients eat, Moreover, the menu of this *gastropub* offers a good and especially large diversity of beers from the region and the world that are definitely worth a try.
