Parmi and a pint or wine for \$30 - i can honestly say it's the biggest parmi I've ever seen - it was lovely and moist and the Hawaiian one i picked was covered in ham cheese and pineapple - there's so many options to choose from!! The chips were also lovely and crisp. Service is friendly too. [read more](#). What [User](#) doesn't like about Judd's:

Dinner at Judds on the Sunday before Diggers & Dealers is a tradition for our team. On arrival, there was a singer/guitarist and it was really pleasant enjoying a beer to the music. Unfortunately the music stopped too early. Beer was good but our steak dinner was mediocre to poor. Have to try the [pizza](#) next time. [read more](#). The restaurant also offers the possibility to sit outside and eat and drink in nice weather. The Judd's originating from Kalgoorlie dishes out various **flavorful seafood dishes**, Additionally, they offer you authentic Australian dishes with ingredients like bush tomatoes and finger limes. After the meal (or during it), you can still relax at the bar with a alcoholic or non-alcoholic drink, In addition, the current games or races can be watched on the big TV in this [sports bar](#), which the visitors also love.
