We stayed at Hotel Royal Orchid and the restaurant is attached to this hotel. Breakfast was complimentary so we had breakfast here. Non vegetarians don't get anything other than Chicken liver which is not delicacy as I found it untouched during my 2 days stay here. Egg we don't consider as non veg. Must have good spread of non [vegetarian](#) dishes. [Vegetarian](#) dishes had good spread. [read more](#). What [User](#) doesn't like about Tiger Trail:

They take a lot of time to even hand their menu to you leave alone the time they take to prepare. Food is average, don't think of ordering anything from the bar as if you are a girl and you have ordered a cocktail, don't be surprised that you will have someone walk up to you telling that cocktails have alcohol in it. overall a very average experience for a 4 star [read more](#). In nice weather you can even eat and drink in the outdoor area, And into the accessible spaces also come clientele with wheelchairs or physical limitations. At Tiger Trail in [Shimoga](#), a **delicious brunch** is served for breakfast, where you can eat as much as you want pamper your taste buds,

The successful fusion of different menus with fresh and partially daring ingredients is highly valued by the customers - a nice example of Asian Fusion. Of course, there's also crisply crunchy [pizza](#), baked straight from the oven according to original recipes, With original **Indian spices**, dishes are fine and freshly prepared.
