What [Aniyah Ward](#) likes about Hive Cafe & Co: Every time I go to Darling Harbour I try to call into this place I find it always friendly staff with speedy service and good quality food and coffee. Hence I always return. [read more](#). What [Edwardo VonRueden](#) doesn't like about Hive Cafe & Co:

2.5/5 the hive cafe is located in the shopping center harbourside and is a more convenient place to get a coffee or a meal when they are located around darling harbour. despite this ideal location, the cafe has very limited food options. the food tastes good. coffee is good. service is friendly. the ambience is pretty boring. if the cafe takes seriously into the development of a better menu and the improvement of interior equipment and music, this place will thrive. In nice weather you can even be served in the outdoor area, And into the accessible spaces also come visitors with wheelchairs or physical limitations. The comprehensive range of coffee and tea specialties greatly enhances the value of a visit to Hive Cafe & Co, Of course, you also have to try the fine burgers, that come with sides like fries, salads, or wedges provided. Apart from simple snacks, sweet pieces and cakes, there are also cold and hot drinks, In the morning a **hearty brunch** is offered here.
