When the weather is nice you can also be served outside, And into the accessible spaces also come customers with wheelchairs or physical limitations. WLAN is available free of charge. If eating and drinking is too unexciting for you, go to this [sports bar](#) for a variety of large and small snacks and meals and catch live football, tennis or Formula 1 games, At the bar, you can unwind with a freshly tapped beer or other alcoholic and non-alcoholic drinks. Without doubt, the right drink enhances every meal; with this thought in mind, this **gastropub** offers a large diversity of tasty and regional alcoholic beverages like beer or wine, Additionally, they provide you *authentic Australian menus* with products like bush tomatoes and finger limes.
