We ordered takeaway tonight, vegetarian spring rolls, chicken pad thai, and chicken red curry. Hands down the best Thai meal we have ever eaten. Not fantastic dining atmosphere, but who cares when the food is that good!!

Lovely staff also. Highly recommend! [read more](#). What [User](#) doesn't like about Wylde Bean:

We were given several recommendations about this Thai restaurant. It has a dine in and take away. BYO. Good service and in spite of being busy we did not have to wait long for our orders to arrive. However, we found that although fresh ingredients were used, the meals lacked that real Thai flavour that we were seeking. Good basic fare, but nothing flash. [read more](#). The restaurant and its rooms are wheelchair accessible and thus usable with a wheelchair or physical disabilities, Depending on the weather conditions, you can also sit outside and have something. With delicious meals, Wylde Bean from Dubbo delights, enriched with the famous spices and (fish-)sauces of the **Thai cuisine** and a bunch of freshly harvested vegetables, [seafood](#) and meat, on the menu there are also a lot of Asian dishes. If you decide to come for breakfast, you are offered a **tasty brunch**, The successful fusion of different dishes with fresh and partially daring products is highly valued by the customers - a good example of Asian Fusion.
