Excellent service and food, very recommended the Rump Steak (the mushroom sauce) with sweet potato fries, accompanied by bitter lime. Fish and chips are also delicious and fresh crab linguins. [read more](#). What [User](#) doesn't like about The Aussie Steak House:

Great pub feed. Good food and HEAPS of it. I couldn't finish it all as there was just waaaay too much. Chose the T-bone with mash and salad with prawns and garlic sauce for mains, and salt and pepper squid for entree. Even that was an impressive amount. A good old fashioned country feed at its best.
