What [User](#) likes about Karridale Tavern:

I go to the Karridale Tavern once every 2 years or so, (living in Perth) and every time I come here to eat I am amazed by the food and service. I have had the "Karridale Killer" woodfire pizza, scotch fillet, burgers, etc... One thing that remains constant is the excellent food and when staying in [AUGUSTA](#) I will always make the trip half-way to Margaret River to have dinner and drinks here! [read more](#). What [User](#) doesn't like about Karridale Tavern: Had the pork ribs and Asia Turf Surf. The ribs were that slow cooked they were hard and dry. The Asian turf and surf. Just plan terrible. The Chef should be dismissed. Completely unbelievable that someone would let that out of the kitchen. Maybe...the owner is having an affair with the Chef's partner and the Chef is giving payback. The wait staff. Very prompt and friendly. [read more](#). In nice weather you can even be served in the outdoor area, And into the accessible rooms also come clientele with wheelchairs or physiological limitations. At Karridale Tavern in AUGUSTA, [tasty Australian dishes](#) are freshly served for you with a lot of affection and the unique products like *bush tomatoes and caviar limes*, It's possible to chill out at the bar with a cool beer or other alcoholic and non-alcoholic drinks. There's also crisply crunchy pizza, baked straight from the oven using traditional methods, this **sports bar** is a favourite among the guests, who enjoy not only the fantastic food and drinks, but also the opportunity to watch the latest games or races on the big screen.
