Have been eating here for years as an occasional take away treat for the kids. Always friendly, clean premises and chips with the perfect amount of crunch. The fish pieces are huge in the fish and chips, and often one serve with an extra serve of chips is ample for two kids. Happy they're our local! [read more](#). What [User](#) doesn't like about Woodlands Fish and Chips:

\$24 for two fish and large chips. We got shark and mackerel. Both fish very dry. Tasteless. I usually never leave anything on my plate regardless of the portion size but threw half of it away. Would be good if th y served mushy peas as a side. The restaurant and its premises are wheelchair accessible and thus reachable with a wheelchair or physical limitations. The Woodlands Fish and Chips in WOODLANDS dishes out various **tasty seafood meals**. For you, the meals are normally prepared fast and fresh. Important are also the **courses from the Australian continent** of this restaurant.
