The restaurant and its rooms are wheelchair accessible and thus reachable with a wheelchair or physical limitations, and there is no-charge WiFi. If the weather are right, you can also have something to eat outside. You can at Sparrow & Finch from Brisbane taste delicious vegetarian courses, in which no animal meat or fish was brought into play,

Also, the guests of the establishment love the extensive variety of various *coffee and tea specialities* that the restaurant has to offer. One should particularly acknowledge the **dishes from the Australian continent** of this restaurant, Furthermore, you can get sweet treats, cake, simple snacks and chilled refreshments and hot drinks here.
