We took our little granddaughter out for the afternoon at the beach and had the good old fish and chips for dinner. We ordered the usual 'fish and chips' and a barramundi compo (with chips and salad). All was good and gone within a short time. The fish was moist and fresh, the batter was crisp, the chips were very good and the garden salad was fresh and tasty. We would come back next time we are in Coogee. [read more](#). What [User](#) doesn't like about Chish N Fips:

Ridiculously Overpriced for what we got. Salad was horrible if you can call it a salad, and fish was dry! Wait time was ridiculous too! We were aware that it was busy, but for what we received, definitely not worth the wait!! [read more](#). In beautiful weather you can even eat in the outdoor area. For those who want to **a cocktail after work** and hang out with friends, Chish N Fips from Coogee is a good bar, Typically, the dishes are prepared for you fast and fresh. If you decide to come for breakfast, a hearty brunch is ready for you, Of course, you also have to try the **fine burgers**, that come with sides like fries, salads, or wedges served.
