[User](#) likes about Austral:

Known as the top pub in Colac (top of the hill), this pub has been revamped many times over the years. Current iteration has it as much better than any other local and far above your average country pub. Service is fine and food is...usually a delight. [read more](#). What [User](#) doesn't like about Austral:

....I went with family tonight and was disappointed I thought there were changes being made.. noticed menu changes . Quality was ordinary. I ordered a Kiev advertised as fresh Kiev but of course we know how that it unless there home made which this wasn't .It was so dry there was no sign of garlic butter inside it..one end was burnt. I wont be going back any time soon the meal quality needs to improve. Also the girl who took orders was constantly watching as people put veg or salad on there plate at one point I was going to ask her if she wanted to do it for me? maybe I was taking too much ? Not good very rude in fact .I can see why there were maybe only 20 people in there if that. When the weather is good you can also be served outside, And into the accessible rooms also come customers with wheelchairs or physical disabilities. If you want to a cocktail after work and hang out with friends, Austral from [Colac](#) is a good bar, Additionally, they provide you *authentic Australian menus* with ingredients like bush tomatoes and finger limes. Naturally, they also offer you with tasty [pizza](#), baked straight from the oven in traditional style, The visitors of the restaurant also appreciate the large selection of various **coffee and tea specialities** that the establishment has to offer.
