When the weather is nice you can also have something outside, And into the accessible rooms also come customers with wheelchairs or physical limitations. At the restaurant, the fresh and succulent juices on the drinks menu wonderfully complement the menus, Moreover, you can enjoy the food of all the tasty offered courses in the midst of this **Diner's** charming atmosphere. Important are also the menus from Australia of this restaurant, and you can expect original *Italian cuisine* with classics like [pizza](#) and pasta.
