Best fish and chips, probably, but that's because Batemans Bay is about 5 square kilometres where the standard is not high. The fish was good. Nice light batter freshly cooked. Kind of what you expect from any fish and chip shop. The "home made" chips deep fried, burnt and horrible. Totally out of their home made sauces. (Make some more!!) and to boot a 45 minutes wait. Not worth it. [read more](#). When the weather conditions is pleasant you can also eat and drink outside.
