Unfortunately the only GF option on the menu is [pizza](#), and the [pizza](#) was terrible! There was no love in the making of this [pizza](#), with not enough toppings (extra toppings we'd paid for also missing), not enough cheese and also spread really unevenly over the base. The restaurant also offers the possibility to sit outside and have something in pleasant weather, And into the accessible spaces also come clientele with wheelchairs or physical limitations. The Pino's Trattoria from Cowes serves meals that you can find all over Europe, You shouldn't miss the opportunity to try the delicate [pizza](#), baked straight out of the oven in an original manner. Would you rather enjoy the food at home or on a special occasion like an event? Thanks to the in-house catering, that's no problem, You can take a break at the bar with a *cool beer* or other alcoholic and non-alcoholic drinks.
