The diner is accessible and can therefore also be used with a wheelchair or physiological disabilities, Depending on the weather, you can also sit outside and eat. WLAN is available for free. If you're looking for more excitement than just eating and drinking, you'll find it in this sports bar. Enjoy small snacks and menus and watch live football, tennis or Formula 1 games, Furthermore, the drinks list in this restaurant is impressive and offers a good and extensive selection of beers from the area and from worldwide, which are definitely worth a try. The *burgers of this place* are among the highlights and are usually served with side dishes such as chips, salads or wedges, For a snack in between, the yummy [sandwiches](#), small salads, and other snacks are suitable.
