What [Carroll D'Amore](#) likes about Lotus Room: I have driven past this restaurant for 13 years and finally my wife and I dined in on Saturday night. Wow I am so glad we did. The food was so tasty and the portion size was quite substantial. We will definitely be going back. They have an entrance just for takeaway orders and a section for dine in. [read more](#). In beautiful weather you can even eat and drink in the outdoor area. What [Roel Wisoky](#) doesn't like about Lotus Room: Food was extremely disappointing! In all dishes the protein was very minimal, and after spending in excess of \$120 you kinda expect a bag of prawn crackers (well at least from any Chinese restaurant wanting your business). Not worth even taking a chance on, give your money to someone else! Meal type: Dinner Price per person: \$120–140 [read more](#). Experience in Lotus Room from Brisbane the diversity of tasty Chinese cuisine, traditionally cooked in a wok, Besides, the successful blend of different menus with new and partially adventurous ingredients is appreciated by the guests - a good case of Asian Fusion. The meals are prepared according to typical Asian style.
