The place from South Melbourne offers 66 different **dishes and drinks on [the menu](#)** at an average A\$9. What [Kennedy Anderson](#) likes about Thai Deli:

A welcoming husband and wife team offering a broad smiles and menu. While it may not rate and the top end of fine Thai cuisine it is certainly a good stop for value and a full belly. A small basic restaurant area if you want to eat onsite. [read more](#). The restaurant and its rooms are wheelchair accessible and thus reachable with a wheelchair or physical limitations, Depending on the weather conditions, you can also sit outside and be served.

What [Felton Bradtke](#) doesn't like about Thai Deli:

Not the best i have had in Melbourne but they are nice people and food is fast. Went there with friends for lunch and had a stirfry chicken with rice that i would rate as average at best. Lots of people in there but I...am a connoisseur of Thai food and it really has to be great for me to return therefore i probably wont return. [read more](#). At Thai Deli in South Melbourne you can savor *delicious [vegetarian](#) dishes*, that are free from any animal meat or fish, on the menu there are also a lot of Asian dishes. Also, they provide you **fine [seafood](#) meals**, Besides, the successful blend of different dishes with new and partially adventurous ingredients is appreciated by the customers - a beautiful case of Asian Fusion.
