The restaurant from Melbourne offers 65 different dishes and drinks on [the menu](#) at an average A\$22. What [Ozzy-Kunnu](#) likes about Nirankar:

After having visited Nirankar we personally feel it's the most underrated restaurant that has not received the kind of attention it deserve. It's way better than many (So Called) well known restaurants What also is quite interesting about this restaurant is they do Nepalese Cuisine as well. Ordered Lamb Cutlet, Squid Masala, Chilly Chicken, lamb Madras, Phelwa (Nepalese Fish Curry), Rice And Roti Basket. Lamb Cutlets... [read more](#). The restaurant offers free WLAN for its customers, Depending on the weather, you can also sit outside and eat and drink. What [Ladarius Cole](#) doesn't like about Nirankar:

Service was average. Not bad but really not great. Food was also average. Somosa was cold in the middle. Cauliflower was nothing to write home about. It was the only place we could get into without a reservation and after having been there it was clear why that was. Don't get me wrong ... there was nothing bad about the place. There just wasn't a lot great about it. [read more](#). Are you looking for **sweets**? In Nirankar you will find **magical desserts** that will certainly fulfill your cravings, It's possible to chill out at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks. The dishes are prepared typically Asian, Menus are also prepared here, deliciously and freshly with typical Indian spices.
