[The Menu](#) of Costi's Fish and Chips from Sydney contains about 46 different dishes and drinks. On average, you pay for a dish / drink about A\$9. What [Katherine W](#) likes about Costi's Fish and Chips: Because we were near the ocean I want some fresh fish and chips. We decided to eat here. It was so delicious. The service was great! You can eat outside or inside. We decided to eat inside that day because it was a little cool. I ate every bite! The food is so good! [read more](#). The restaurant also offers the possibility to sit outside and eat and drink in beautiful weather, And into the accessible spaces also come clientele with wheelchairs or physical limitations. WLAN is available free of charge. What [mrdom](#) doesn't like about Costi's Fish and Chips: It's all been sitting in the window for a while before serving. The fish survived ok, it was a cheap fish but cooked well and light and fluffy, although the batter was quite greasy. The chips didn't survive, just a disgusting mush. At least it was all better than the similar fish shop in the QVB but \$13 is a ridiculous price for such low-end fish and chips, even at this location. [read more](#). The large range of *coffee and tea specialties* makes a visit to Costi's Fish and Chips even more worthwhile, The **barbecued food** is freshly **prepared** here on an open flame. Greek dishes like Gyros and Souvlaki with matching sides are also offered in the restaurant, and you can look forward to the delicious traditional [seafood](#) cuisine.
