What [Laron Hahn](#) likes about Aki's: Six of us dined on a friday night and chose the banquet menu. Everything on that menu was delicious. Chat, beef, naan, tandoori, prawns, saag, butter chicken it was all first class. Service was impeccable, presentation excellent, pricing reasonable for the quality. Highly recommend. [read more](#). The diner and its premises are wheelchair accessible and thus reachable with a wheelchair or physiological limitations, Depending on the weather, you can also sit outside and eat. What [Carroll Thiel](#) doesn't like about Aki's: My husband thought this would be a great place for our anniversary dinner it had fabulous ratings and had won awards Although food was nice it was overpriced for what it was and the wine was a bottle On booking we did mention our...anniversary not expecting anything other than maybe a congratulations comment but nothing Guests like to feel special don't they ? Highlight was the mint sauce for the poppadoms Total bill... [read more](#). The extensive selection of *coffee and tea specialties* makes a visit to Aki's even more worthwhile, the menu also includes tasty vegetarian dishes. The menus are prepared according to authentic Asian style, The successful fusion of different dishes with fresh and occasionally daring products is highly valued by the customers - a nice example of Asian Fusion.
